

Coach Miller

2/14/16

Objective:

- 1) Multiply Matrices
- 2) Analyze and solve real world problems that deal with matrices

Essential Question: Explain the different function of matrices. How are they incorporated into real world situations?

- 1) Multiplying Matrices Workouts #3
- 2) Share Out Critical Response
- 3) Matrices W/Grades #4
- 4) Practice Multiplying Matrices
- 5) Qtips #7
